SENIOR CREATIVE DESIGNER • BRAND, DIGITAL & VISUAL STORYTELLING

PROFILE

A multidisciplinary designer with 13 years of experience building brands, campaigns and digital experiences for audiences around the world. Bringing together creative direction, strategic thinking and hands-on design to turn complex challenges into clear, considered work. From shaping the initial idea to delivering the final result, I'm involved in every detail.

AWARDS & RECOGNITION

Gold
Advertising Media Kit

ASSOCIATION TRENDS 2025

Interactive, magazine-style sponsorship prospectus combining motion, video, and branded content. Recognised for innovation and audience engagement.

Silver
Best Advocacy Campaign

ASSOCIATION TRENDS 2026

HND Visual Communication / Graphic Design

CITY OF GLASGOW COLLEGE 2013 – 2017

Covered composition, colour theory, motion graphics, and web design. Completed live client briefs alongside coursework — entered the industry with a professional portfolio from day one.

PERSONAL

A curious and forward-thinking creative with a genuine interest in **storytelling, emerging technology, and design trends**. Outside of work: motorcycle rides through Scotland, pulling apart film edits, and going too deep on whatever's new in VR.
